

Tāwhirimātea want your plastic bottle caps!

Save the oceans and help us with our art project! Bottle caps can not go in your recycling bin, but never fear.... We want to reuse them and create an artwork that encourages others to REDUCE, REUSE, RECYCLE

We are looking to collect clean plastic bottle caps in all colours, big and small.

You can drop your bottle caps off to Sawyers Bay School or you could email Mrs Swete to arrange collection.
